

Aug 5-2019

Mr. Campbell,

Thank you for answering my phone call. I am sending the money our friends and relatives gave us upon the death of my husband Theodore E. Radtke on July 17-2019. He was 94 years old. He was so impressed and happy to have gone on the Never Forgotten Honor Flight in 2016 (April) with his ~~son~~^{son} Robert as his guardian. Together we planned our burials and he said then, if we received any money at his death he wanted that to go to the Honor Flight to help another veteran to go too. So I'm just doing what he wanted. I don't have a web site or computer but it would be nice to have it on there. Please send a Thank You to all that sent a check. The check in our name (Radtke) is monetary donations given to us. He was in the Navy 1946-1949

Sincerely
Dorothy Radtke
