Hello,

During our annual 4th of July fundraising event we were able to collect these monies from donation container. Veterans and their families and friends are so very generous.

We thank them and all of you at the Never Forgotten Honor flight for all you do!! A couple members for the Thorp VFW Post 9057 will be joining you on the September flight and are truly looking forward to it.

Several other members are signed up as well. Again thank you fo everything and keep up the good work!!!

Sincerely
Thorp VFW Post 9057
