NEVER FORGOTTEN HONOR FLIGHT

Thank your staff, volunteers, and friends for making this trip so memorable. I have written my Guardian a personal letter for his special attention. I would also like to make note of Mary and Dick Jarvis who without them this would never have taken place. I was so pleased to share communications from two G I's as well as my family who remembered me. Eloise, my wife, would like to thank all the people who made her time so wonderful.

The flight home will become so memorable as in many ways brought us together as we waited for nature. I had several exchanges of conversation while in Minneapolis with fellow Veterans.

Thank You
