

Nov. 26, 2019

Thank you for making  
a special day for over  
100 veterans on Sept. 2nd.

It may be the never-  
ending flight but never  
a complaint due to  
weather.

The 11x17 collage was  
a surprise and Michael's  
has a frame to display  
it.

It takes a village  
to pull this off so efficiently.  
Special gratitude to each  
volunteer far and near.

...for the extra love you put  
into everything you do!

May the love you  
extend to so many  
return to know you  
have touched us  
deeply.
