

PES STUDENTS RAISE FUNDS TO SEND VETERAN ON HONOR FLIGHT

PHOTO SUBMITTED

For the past year and a half, the students at Phillips Elementary School have participated in a school-wide fundraiser, which involved raising the \$500 necessary to send a local veteran on the Never Forgotten Honor Flight. On designated days, the students who wanted to could wear a school-appropriate hat all day if they donated \$1 to the fund to send a veteran on the flight. On Nov. 11, their hard work was completed. During the elementary's Veteran's Day program, Storm Heizler, a fourth grade student presented his grandfather, James Heizler with a check in the amount of \$500 that would pay for his trip on the Honor Flight in April or May of 2020. Pictured is AMVETS Ladies Auxiliary Post 50 President Dolores Gradinjan, who suggested the fundraiser to the elementary students, Principal David Scholz, Storm Heizler, and veteran James Heizler.
