Dear Never Forgotten Honor Flight,

In January of 2015, Delta Dental of Wisconsin began an employee charitable matching program. As our employee's locations have expanded across the state, we found it difficult to support so many different community programs, and as such began the matching gift program rather than providing general community charitable donations.

Enclosed you will find a check from Delta Dental of Wisconsin, which represents an employee match from our company program. For our records, please send acknowledgement of this donation to:

Warm regards,

Megan Tenpas

This match is made in honor of: Janie Van Maastricht
