

Our Never Forgotten Honor Flight 5K and Bock Fest organizers are monitoring the developments around COVID-19, and in accordance with the recommendation of our State Governor to suspend public events, both of our **Never Forgotten Honor Flight 5K Fundraiser and Bock Fest will be postponed until Saturday June 13th in the best interest of public safety.**

You have been an integral part of the success and planning and of this event and we sincerely hope that you will remain with us at our later date.

5K Participants –

You will be guaranteed a spot in the June 13th Never Forgotten Honor Flight 5K Run/Walk, and able to attend the Bock fest immediately after. Because of the postponement, ALL registered runners will be guaranteed a 2020 event branded long sleeved fleece. To show our gratitude of your patience we will offer registered participants an extra beverage ticket for June 13th.

Sponsors –

Your sponsorship carries forward to the 5K and Bock Fest Fundraiser events in which you intended to support. Our event staff and volunteers are working through the logistics of changing dates with all our vendors but are working closely with the Never Forgotten Honor Flight and hope that come June, this event can be an even bigger celebration. And warmer too!

Donations –

Any funds intended to be directly donated to the Never Forgotten Honor Flight will be given to the organization as planned.

We stand united in our support of this great cause, which is why we chose not to cancel, but to find another date that we can celebrate together.

Stay safe and healthy,
Mike and Don and the entire Bull Falls Family
