

March 25, 2020

My husband Donald Fryman was honored to go on the September 11, 2017 Never Forgotten Honor Flight in his wheelchair, along with our son, Mark Fryman, as his chaperone. It was his Trip of a Lifetime.

Don passed away February 25, 2020 and we would to donate \$200.00 in his memory. Thank you for giving him the opportunity to go on this trip.

Sincerely,

Phyllis M. Fryman
