Dear LtCol Campbell,

My husband Thomas Wendt was a member of the Never Forgotten Honor Flight, Mission #37. This was indeed a memorable experience for him. Sadly, Tom passed away on February 11, 2020 while we were vacationing in Florida. Due to the present COVID-19 pandemic, we have been unable to plan a memorial for him, but friends, family and former coworkers have been kind enough to donate, on Tom's behalf, to the Never Forgotten Honor Flight organization. I believe you have already received some donations from other sources as well. As we do not know, at this point, when his memorial will be scheduled, I decided to send you the donations I have received to date. If I receive further donations, I will forward those to you as well. Today, please find enclosed three checks totaling \$453.00.

Thank you for the work you and your entire staff do for this most worthy cause.

Sincerely,

Mrs. Nancy J. Wendt
