

April 3, 2020

Richard A. Jarvis, Treasurer
Never Forgotten Honor Flight
225780 Rib Mountain Drive #234
Wausau, WI 54401

Dear Mr. Jarvis,

Enclosed is a check for \$10,398.65, along with 2 personal checks in the amount of \$120.00, which represent most of the proceeds from the sale of my Father, Will Lehner's book "Legacy of a Pearl Harbor Survivor". You will recall we sold these books on December 7, 2019, and then ordered more books on December 11, 2019. For the past 2 months we have been delivering these books, along with dealing with my Father's death on January 5, 2020. Now we are at a stand still because of the Virus and still have a few more books to deliver. Most of these books have been paid for in advance but we will still need to send you an additional check when we are finished with the book deliveries.

I know that the flights that were scheduled for the next several months have been cancelled but hopefully once our state has recovered you will be able to resume these flights. My Father fondly remembered his flight with your organization and I was also privileged to have been on the flight with him. Please use this money to allow as many veterans, (and maybe guardians), as possible to participate in this wonderful experience.

Sincerely,

A handwritten signature in cursive script that reads "Patricia K. Adamski". The signature is written in black ink and is positioned above the typed name and title.
