Dear Jim;

Enclosed is our check for \$1,500.00 to sponsor 3 veterans for the next time around. We certainly would like to present you with this check in person, but these are different times with this pandemic. Thank you, and all of your volunteers for all the great things you do for the veterans. To many, this is an experience of a lifetime. We so hope you can continue to do all the great things you do in the near future.

Sincerely,
