Never Forgotten Honor Flight
225780 Rib Mountain Drive, #234
Wausau, WI 54401

My Dad, Alden Anderson, passed away on September 6. He was buried with full military honors. He was a veteran of the Korean War. He was blessed with a life of 91 years and a loving wife and four children.

He went on the April 2016 Honor Flight with his son, Rick. They both enjoyed spending a beautiful day together, and seeing the Korean War memorial and all of the other memorials.

My sisters, brother, and I would like to donate some of the money from Dad's funeral to the Never Forgotten Honor Flight in his memory. Sorry it couldn't be more. We also donated money to his beloved church.

We are so glad he had the opportunity to go. Thank you for honoring Dad and all veterans with the trip of a lifetime.
