The Smokey Express and the Community Gospel Choir of Amherst recently raised \$16,500 at its All We Need Is Love Concert. Funds were distributed to local charities, including \$1,000 to the Never Forgotten Honor Flight to send two veterans to Washington, D.C., to see the various memorials there. In the photo, Jim Campbell (left) and Mike Thompson (right), Never Forgotten Honor Flight Executive Board members, accept the donation from Janet Glodowski (second from left), producer of the Smokey Express Christmas Show, and Joni Mansavage (second from right), wife of Lawrence Mansavage who went on a Never Forgotten Honor Flight in 2010 and who the \$1,000 donation from the Christmas Show memorializes.
