Hello,

Our names are Kevin & Gail Baumgartner. We recently set-up a wood stand in North Central Wisconsin near our cabin. We wanted a way to support your cause and thought this might be the answer. We didn't get it set-up until half way through the summer but, we had a lot of success. We decided to match any donations that we received. We are happy to send you our first check. Next year we will have it up all summer and hope to do even better. We value your cause because our son is a Marine and have had a number of other family members who serve our Great Country. Keep up the great work.

Sincerely

Kevin & Gail
