Never Forgotten Honor Flight

225780 Rib Mountain Dr #234

Wausau WI 54401

Honor Flight Staff,

The employees of Marathon County Department of Social Services are dedicated to helping others and to making our community stronger. Each month, in a demonstration of our Core Value of Shared Purpose, we host a "Casual for the Cause" day, where employees are invited to dress more casually for a donation to a community resource organization. This month, your agency was selected. Please accept the enclosed donation as a token of our gratitude for the work you do to support the community.

Sincerely,

A handwritten signature in black ink that reads "Jenni Dalton". The signature is written in a cursive style with a large initial "J".
