TO Whom This Concerns,

Enclosed is a jacket from my husband who went on the Honor Flight in April, 2014. He recently passed away on 1/1/21. I did not want to give this jacket away or destroy it. It is in perfect condition.

Also, enclosed is a \$500.00 check. My husband was so proud that he got to go on the Honor Flight. He could not praise it enough.

This check is in honor of
Clarence T. Ostrowski
He was in the Army from
1950-1954.
