The Church at the Heart of the City

Date: June 1, 2021

To: Never Forgotten Honor Flight,

I have enclosed a money gift totaling \$50.00 that has been collected by a member or friend of the Wesley United Methodist Church of Marshfield, Wisconsin, who made their contributions directly to you. There will be another check arriving separately from our church with the remainder of the collected money for the Never Forgotten Honor Flight.

The money gift is a result of money collected during the month of May as a Mission Outreach of our church.

May God bless you and the work the Never Forgotten Honor Flight does for friends and neighbors.
