Attn: Richard Jarvis

Hi Richard

Attached is the list of people that gave donations to the Never Forgotten Honor Flight in honor of my dad, LaVern Schultz Jr, who passed away on July 9, 2021. I've listed their names along with the amount that they donated.

Included is one check that that was made out directly to the Never Forgotten Honor Flight and one check that I made out for the cash that was received. I found these when I was going through cards at my mom's house the other day. I'm assuming that the Never Forgotten Honor Flight will send acknowledgments to these people also.

For your information, I've included a copy of his obituary that listed the Never Forgotten Honor Flight and also a funeral card that shows him in his Never Forgotten clothes. He was so proud that he got to go on the trip as was I because I got to go as his guardian. My dad was right – it was a trip of a lifetime – and I'm glad I got to do it with him.
