Re: Herbert Justin Dobbe

My father, Herbert Dobbe, passed away on August 4, 2021. He had served in the Navy during World War II. A number of years ago I had the privilege of accompanying him and his three brothers, also veterans, on one of your Honor Flights. Since that time, the four of them continued to talk about what a wonderful and touching experience that was for them.

With his passing, donations were received at his funeral. The amount of unspecified monies came to \$ [REDACTED] I and my three sisters have decided to donate that amount in his name for your organization.

Sincerely,

Dale H. Dobbe
