Re: Donation in memory of Harold Else

Please accept this donation in honor of long-time AV-W friend, Harold Else. He was an Army Veteran who served in the Korean War. Our students collected money during our annual Veteran's Day fundraiser called "Washingtons for Washington." Our hope was to collect one dollar for every student enrolled in our district. This year we have 518 students. However, we raised \$740! We are so happy that we are able to help support more than one Veteran on their trip to Washington.

Kind regards,

Gina Kolzow
Finance Director
