Re: Presentation in Rhinelander at CT's Deli on November 13, 2021

I want to personally thank you for the informative presentation on the Never Forgotten Honor Flight. Those of us in attendance were very impressed. One member not in attendance, had a husband go on the Honor Flight years ago. His name is DJ Holtz. He infact talked at one of our meetings about his experience. As many have said - it is an experience of a life time; especially when many never wanted to talk about their time in service overseas. You fellows have made a difference in so many lives and I say thank you on behalf of our Chapter.

I apologize for the lateness of this 'Thank You'. We still have had a few donations trickle in yet and will get you a donation in the near future after our next meeting.

P.S. I was very impressed to see the pictures in the Antigo Journal and Antigo Shopper regarding the North Elementary School and ladies group (for got their name) donations.

Keep up the GREAT WORK and have a Blessed Holiday!
