Fundraiser for Honor Flight

Barron Electric Cooperative is proud to sponsor Chris Kroeze at Barron's Music in the Park on Wednesday, June 8. The concert will start at 6:00 p.m. at Anderson Park, North Mill Street in Barron. Food and beverages will be available for sale starting at 5:00 p.m. Proceeds will be given to the Honor Flight.

Honor Flight

Barron Electric will be hosting a fundraiser for the Honor Flight. The Never Forgotten Honor Flight is a not-for-profit organization of dedicated volunteers providing Veterans with respect, gratitude and honor, by flying them free of charge to Washington D.C. to visit their memorials. There are Barron Electric members on the Honor Flight waiting list, and Barron Electric is proud to help sponsor them.

Veterans from the Merchant Marine, WWII, Korea, or Vietnam can complete an online application at neverforgottenhonorflight.com/ application to sign up for the Honor Flight. If you have any questions, please contact 715-573-8519.

Pole Testing Improves Reliability

American Energy Services is testing poles in Spooner Township in Washburn County and Crystal Lake and Cumberland Townships in Barron County. Their trucks will have a magnetic sign that displays Barron Electric Cooperative's name, while a 4-wheeler may be used to move efficiently throughout the system.

If you have any questions, please contact our office at 800-322-1008 or e-mail operations@barronelectric.com.
