## Never Forgotten Honor Flight

Enclosed is a check for the Never Forgotten Honor Flight in memory of Gary Frank, Edgar WI. He & his family are so thankful that he was able to go on the Honor Flight in May 21 - 2018. He passed away in September 10 - 2019.

Thanks to you it was one of the most memorable experiences of his life. It meant a lot to him to be honored and recognized for his years of service.

We appreciate your efforts in making this event happen for him and others and hope this donation will help the Honor Flight to continue. We would have sent it sooner but due to the pandemic and flights not going. We waited until now.

Sincerely,
