

Never Forgotten Honor Flight  
Board of Directors

May 6, 2022

Just a note to thank you sincerely for allowing me to be a part of the 3<sup>rd</sup> Honor Flight to Washington DC.

Every aspect of the experience was outstanding! It was truly amazing down to the smallest detail. I appreciated each moment of Sunday afternoon and Monday. I truly felt honored and respected.

Your organization goes above and beyond in countless ways to make this event an extremely memorable experience. I shall treasure these memories always!

It was my honor to participate in this so very moving event.

Bravo Zulu!
