Never Forgotten Honor Flight

I am honored and pleased to submit to you the applications enclosed for Roy Bohm and Richard Toftum for your consideration.

Roy is an active member of the Amherst Fire District and has been for over 40 years. He embodies the need for public service. As the oldest member of the fire department, he still is involved in emergency response, training, and many other activities.

Richard retired from the fire district a few years ago. Prior to retirement he was always one of the first members to volunteer for the work that needed to be done. He is still the oldest person in Wisconsin to complete the Technical Rescue course at Volk Field. He was a WI Certified Driver Operator for fire apparatus as well.

The members of the Amherst Fire District are proud to sponsor Roy and Richard. Enclosed is a donation from our members of \$1000.

Thank you again for what you do. Our members are proud of Roy and Richard and look forward to them being able to participate in one of your trips.

Sincerely,

Victor R. Voss
Fire Chief
