Board of Directors
Never Forgotten Honor Flight
225780 Rib Mountain Drive #234
Wausau, WI 54401

Dear Mr. Campbell:

I wanted to send you a short note of thanks for my recent Honor Flight experience. I am so very grateful to you, to the Never Forgotten Honor Flight Organization, and to the wonderful people of this community, for providing me with this very therapeutic and healing homecoming experience. I have been carrying resentment for the way I was treated during my return from Vietnam for over 52 years. I'm glad that issue is now resolved.

Please find enclosed a small token of my appreciation for your organization's efforts. I hope I will remain on your mailing list that I may continue to support your very worthwhile mission.

If you would, please extend my sincere appreciation to your fellow Board Members, and especially to your many volunteers. I am sure most of them will never fully know the impact of their efforts. Because they care enough to make a difference, many of us will successfully resolve old emotional scars. Again, I am very grateful. May God rest on the shoulders of every soldier, and bless this magnificent land.

Kindest regards,

Robert W. Monk
Captain, Infantry (Ret.)
