

Hey Jim,

Thank you so much for the opportunity to go on the Honor Flight with my brother Darol. I'm writing this with the amazing pen I got from one of the school kids. It was truly a "trip of a lifetime". The crowds greeting us at the airports were unbelievable. You, your volunteers, and guardians do an outstanding job. The guest speaker at the dinner was one of the best I have ever heard.

Keep up the great work,

Dale Peterson
