We can do nothing but praise the
Never Forgotten Honor Flight 40. You
made it such a first class
experience beginning with
signing in, banquet, entertain-
ment, care for spouses, and
the trip to Washington D.C.
allowing us Veterans to turn
back the clock and feel a
number of years younger for a
day. I am working on a few of
my friends to go. They say
they have been to the Vet Nam
Wall. I tell them this is so much
better as Washington D.C. has made
great strides. Thank you so very
much!

Please accept our donation to
assist in helping other Veterans to
partake in this wonderful
opportunity. In appreciation,
Gary & Kathy Matthees
