Sir or Madam,
Enclosed you will find
A couple of poems
concerning vets and
soldiers on foreign soil. That I
you may copy & ^{wrote.}
disseminate them to
any veteran or soldier
you chose. Or you may
decide not to. That's OK
too. I have tendered these
to Mr. Wayne Pfaff in
a separate mailing, but
they are generic in wording →

SO THAT THEY APPLY TO
ALL JETS & SOLDIERS ABROAD.

IF YOU NEED VOLUME OF
SUPPORT, THEN FEEL FREE
TO USE THEM. IF THEY CAN
BOOST SOME ONE'S MORALE,
THEN WHY SHOULD THEY
NOT BE IN MY DESK?

THANK YOU ALL FOR ALL
THAT YOU DO FOR THOSE
WHO HAVE SERVED AND FOR
THOSE WHO STILL SERVE!
GOD BLESS YOU ALL!

Soldier's Prayer

Dear God,
I am an American soldier
On soil of foreign land.
And, being only human
I need your helping hand.

The gift that I most need
Is courage for the task
That others set before me.
Is it too much to ask?

I also need the wisdom,
And strength to carry on
And support from homeland shores
As battle gear, I don.

If I begin to stumble
From pressures hard to bear,
Then, pick me up at once, my Lord,
Remind me that You care!

I ask for You to spare me
To fight another war
That rages on within my soul...,
That I may sin no more.

I pray for others near me
For safety in their plight,
And help for them to understand
It's peace for which we fight.

I ask but one thing more, oh God
'Gainst stars and stripes unfurled
And that one thing more, I ask
Is peace through out the world

In Jesus' name....., Amen
