

Dear Jim;

1 Sept 2022

American Legion Post 182
is happy to see the Honor
Flights are up and running
once again.

Enclosed is a token of our
support for this most worthy
program.

In 2019 I was privileged to
go on the flight which left on May
13. Nina Paholke was with us
that day, she was a breath of
fresh air — we will miss her.

Again thank you for all you
do for Veterans. That event
still remains one of the
highlights of my life.
