Re: Donation

Hello,

Here is a small donation for your organization. Each month, I team up with District 1 Brewing Company in Stevens Point to offer a fun, all levels yoga class with a portion of the proceeds allocated to a local charity. This past event, we chose yours!

Although it was a very small turnout due to some GORGEOUS summer weather outside, we were still able to collect \$85.00 and also introduce some people to your worthy cause.

I wish you the best and congratulate you on what you are doing for our Veterans.

Health and happiness,

Sue Jensen
