

How does anyone put into word what this Never Forgotten Flight does for Veteran's and their Spouses?! Amazing, Honored, Surprised, Exhilarating, Exhausting, Respected and Healing are only a few we can think of. The impact your organization has on us all will "Never be Forgotten"! Another word Thankful has to be one of the best! Words will never be enough for the Thankfulness we felt during the 41st Group. Your Board of Directors, Volunteers and Everyone involved deserve a huge Thank You for every minute. Their energy never ended! We are so blessed! On top of all the entertainment, we met more Veteran's and their Families that experienced the same feeling as we did. It was just Great. We hope in some way, we can pass it forward. Here's a very small token for now. Thank You, Thank You, Thank You
Dale & Karen Meives
