Dear Members of the Never Forgotten Forces
Flight Board of Directors,

I can not believe 10 days have gone
by since the most recent flight.

I'd like to thank you all for your
dedication and incredible planning
of this and last flight before.

The experience was indeed a trip
of a lifetime! I'd like to also thank you

for allowing me to say a few words
about my husband Jim at the Fallen
Comrade Ceremony. It meant the
world to me and my family.

Jim and I looked so forward
to making the Honor Flight together...
being able to have him with me in this
special way was wonderful!

God bless you all for all
that you do for so many.
