

*Jim and Never Forgotten Honor Flight Team,*

*A HUGE THANKS for getting my dad (Doc) on the October Honor Flight! My dad thoroughly enjoyed the experience and your unrivaled effort, hospitality, dedication, thoughtfulness and care made it a trip we will never forget.*

*I've helped out with other Honor Flight chapters around the nation, but the Never Forgotten Honor Flight is the epitome of class, execution and excellence. The banquet the night before set the tone with the Honor Guard, speaker and entertainers, not to mention the fabulous meal. The DC operations were superbly executed, the mail call - unforgettable, and the reception upon return to the Central Wisconsin airport was beyond all expectations resulting in a "Welcome Home" every veteran on the trip will NEVER forget.*

*Special thanks to our "Party Bus" captain, David as well as Dick Jarvis, Ryan Gossett (for being so compassionate with my dad) and my fellow Air Force veteran, Mike Thompson. I thank and salute you all for your dedication and commitment to such a wonderful and heartfelt cause.*

*Godspeed Jim and if you or any of your team are ever in Texas, look me up as the door is open and the beer always cold!*

*With Sincere Appreciation and Admiration,*
