To The Never Forgotten Honor Flight
225780 Rib Mountain Drive #234
Wausau, Wi 54401

Hi, I received this donation from a couple from Green Bay who heard me speaking with a Director at the Price Electric Member breakfast last Saturday September 10 at the Price Electric headquarters in Phillips, Wisconsin.

They approached me and asked how they could donate to an Honor Flight.

I mentioned that I work with the best group in the country in Wausau, Wisconsin and if they wanted to donate, simply write a check and I would get it to the proper location to the Honor Flight Group.

So enclosed is a check from James and Diane Smurawa from Green Bay in the amount of \$ 100.00. A pleasant surprise that morning in respect the Veterans.

Respectfully,

Wally Obermann, Northwoods Volunteer
