Never Forgotten Honor Flight

Attn: Donation Dept.

Our father, Keith H. Hackbarth, a veteran of the US Navy (Korea era), was fortunate to participate in the 2016 Never Forgotten Honor Flight, an event that was thoroughly enjoyed and appreciated. He died on June 24, 2022, at the age of 93. Our family decided to donate monies that were received at his funeral to the Never Forgotten Honor Flight, so that other veterans may participate in this experience that was so meaningful to him.

Thank you so much for providing this opportunity to veterans and their families.

Sincerely,

Family of Keith H. Hackbarth
