Never Forgotten Honor Flight
225780 Rib Mountain Dr. #234
Wausau, WI 54401

Dear Honor Flight Coordinator-

Please accept this donation of [REDACTED] to use for a Veteran to go on the Never Forgotten Honor Flight. I am making this donation in memory of family members who were veterans. They have since passed away and unable to make the flight while they were living. I hope the funds will provide a memorable experience to the person receiving the opportunity through your program.

Thank you for all you do to make this program happen for the many veterans that served.

Sincerely,

Kathryn Fandre
