

Hi —

This donation is in memory of my dad Vincent Polun. So he used for a veteran to go on this trip of a lifetime

I'm so happy that my dad was able to go on this trip before his dementia took him from us. It was a memorable trip for him and very proud of it. He would encourage anyone he met to ~~go~~ sign up and go.

A big Thank You to all the volunteers that help make this a memory of a lifetime for the veterans and the guardians
