Never Forgotten Honor Flight
225780 Rib Mountain Drive 234
Wausau, WI 54401

Dear Sirs:

My father, Marc F. Bobek, a WW II veteran, had the privilege of flying on the September 24, 2012 trip to Washington DC. The experience you provided him created a very significant memory for him and an extremely proud moment in his life. I had the pleasure of accompanying my father as a Guardian on that flight. I was able to witness firsthand the joy you brought to my father as well as all the other veterans.

My father passed away on February 5, 2016. We buried him in the shirt, jacket and hat the honor flight provided. That trip was that important to him we felt it was only appropriate.

Thank you for providing my father this remarkable experience!

Please let the enclosed allow more veterans the experience you provided my father.

Please keep up the great work you do.

Sincerely,

A handwritten signature in black ink that reads "Paul Bobek". The signature is written in a cursive style with a long horizontal stroke at the end.

Paul Bobek
