Dear Staff of the
N.F.H.F.,

I want to make this donation so that another veteran will be able to experience this "once in a lifetime" honor! I went on the flight this past Labor Day. I couldn't have been more impressed with the way I and my wife were treated. From the initial welcome, the meals, photographer, the entertainment, the exquisite hotel room, comfortable bed and pillows, transportation, the welcome celebration in Washington D.C, all the memorials, and the incredible welcome back at CWA! All the volunteers! This day is one I will never forget. Thank you & God bless you & America!

Sincerely, Marv & Kathy Somers
