

December 2022

Congratulations!

Enclosed is a gift from the employees of Nicolet Bank, via the Nicolet National Foundation, Inc. This donation comes to you through the good works of our employees, who donated the funds personally, and requested on your behalf. We are pleased to present you with the enclosed donation to your organization.

The Nicolet National Foundation is a public charity directed by the employees of Nicolet Bank. The charity was founded as a way for bank employees to pool resources and give back to the neighborhoods where they work, live, and serve. Managed by volunteers, employees direct impactful donations to our shared communities.

We are grateful that you are a part of our community and for the work you do to make this a wonderful place to live.

Kindest Regards,

Nicolet National Foundation
