Dear Never Forgotten Honor Flight,

The Wausau Paranormal Research Society (WPRS) is a group of dedicated individuals who have over 70 years of combined paranormal investigation experience. Formed in 2000 and based in Wausau, Wisconsin we have been conducting at no charge, paranormal investigations throughout the state as well as some areas of the greater U.S. The WPRS seeks to collect evidence to aid in understanding paranormal phenomena and events. We also strive to provide understanding to our clients so that they may coexist with paranormal phenomena that may be present in their dwelling or business. WPRS conducts professional investigations of reported paranormal phenomena in an attempt to obtain scientific evidence of paranormal events as well.

Each year in October the WPRS conducts Downtown Wausau Fall Ghost Tours in order to support our organization through the year. Our organization has chosen to donate a portion of our profit to local charities. Our organization feels the need to give back to the community that supports us so well.

We hope that you accept this donation on behalf of all the members of the WPRS for the Share Your Holidays program.

Have a very Merry Christmas and blessed New Year!

Sincerely,
Shawn Blaschka
