Dear Sirs,

At our last Legion meeting, it was decided by those present to again provide your organization with a donation to support your fine effort of honoring our fellow veterans with the opportunity to see their War Memorials and the sites of Washington DC. Please find enclosed our donation in the amount of \$500.00, to help a veteran participate. Thanks for support of our veterans and please continue the great job.

Sincerely yours,

Richard Strathmann, Adjutant
