

NFHF -

My April Veteran, Al Wolcott, Wis Rapids sent me a check for being his guardian and making his day so memorable! What?? I feel I owe him money for his service and sacrifices he made for me and my freedom. In any case, please accept this check and use it wherever it is needed within the NFHF organization. I am truly blessed to be a small part in this wonderful organization. Thank-you & God Bless the U.S.A.
