Good Morning,

We have enclosed a check for \$2500.00 to cover the expenses for five (5) of your participants from Nekoosa, WI. We appreciate your group and the time and effort you put into making the dreams come true for these fearless troops who have put their lives on the line for our country.

When you have picked the five (5) participants we will be sponsoring we would like to invite them to a Monthly Board meeting here at Lake Camelot to meet them and thank them for their service.

I have included the list of veterans from your website who have signed up with your organization from the Nekoosa area and we would appreciate you taking the top five.

Thank you again for all you are doing for these wonderful citizens.
