Dear Jim –

Enclosed please find 'mail call' letters for Mission #44 flight scheduled for May 15, 2023. As part of the Conover Lions, we wanted to send letters for the 2 Conover veterans on this flight, Robert Wuytack and Robert Bailey. Some members elected to write cards to additional veterans on the flight and they are also enclosed.

I hope sending the letters as a group package is acceptable. I did write the city they listed on the roster with their name on the envelope.

Best wishes and safe travels.

Thank you,

Jacki Hildebrandt
