

Jim,

Here's a check from one of more to come raffles. Please do not send any thank you yet for donations. I'm keeping a tally of the total raised and we'll present a final check / checks after the Aug. 5<sup>th</sup> event. I just didn't want this person's check hanging out there for months on end. We are running raffles here there all the way up to the event, It's a easier way to raise a larger sum than trying to make it all in one day. Keep those flights running, it's a great thing!!

Talk to later,
