

To all of you who were involved
in making the Never Forgotten Honor
Flight a Trip of a Lifetime -

From the moment we arrived at the
Hilton, the delicious supper, the
entertainment - the flight - the wonderful
breakfast and lunch for the wives and
More entertainment - the Welcome Home to
all the wives and vets at the
airport. We don't even have words to
say Thank you! you are all amazing
and each one has been a blessing
to us!

**Your kindness has a way
of making hearts a little happier
and problems seem a lot smaller.**

Thank You
for making a difference
in my world.
