Dear Friends of the Never Forgotten Honor Flight,

We would like to thank you for your generous support of the Never Forgotten Honor Flight. Your contribution of \$[redacted] in memory of Lawrence "Larry" Rosenthal will help us continue our work to honor veterans in North Central Wisconsin.

With the help of hundreds of volunteers and with generous financial donations like yours, we have been able to make 38 flights since our beginning in 2009—as well as continued flights in progress for 2022. To date, we have been able to give 3576 WWII, Korean and Vietnam era veterans the opportunity to visit "their" memorials in Washington D.C. at no cost to the veterans. This is only possible with your generous support.

We would also like to make clear that no goods or services were provided to you in return for your contribution.

We offer our sincere gratitude to you in helping us further this wonderful and important cause. For more information, please visit [www.neverforgottenhonorflight.org](http://www.neverforgottenhonorflight.org).

Yours very truly,

Richard A. Jarvis
