

To Every Volunteer of Honor Flight #44

We want to thank you for such a fun,
amazing, and "welcome home" 2 days. You
made us feel very relaxed and entertained, this
flight gave me a opportunity to meet so many
of our military brothers. I had a great
time, I enjoyed myself fully and my
wife and I plan to be there for Honor
Flight #45 on September 25th to welcome
home more veterans. Thank you
again and I will never forget all
you have done for me.
